Network of medical facilities

The company has contracts with more than 500 medical providers. “BULSTRAD LIFE VIENNA INSURANCE GROUP” JSC guarantees access to renowned medical facilities and clinical laboratories on the entire territory of Bulgaria through its network of facilities, parties under with medical services agreements. The full list of medical facilities and clinical laboratories, part of our network is available in our B-Assist mobile application and on our website -www.bulstradlife.bg.

B-Assist

Modern solutions for quick access to medical services

The B-Assist mobile application was developed exclusively for the clients of the BULSTRAD LIFE VIENNA INSURANCE GROUP, who have “Healthcare” insurance coverage. It is reliable personal assistant that is able to ensure quick access to high quality medical services and to provide the opportunity to schedule a medical appointment and to send a request for approval of a highly specialized medical examination only with few clicks on the display of your mobile device. The application can be downloaded for free for Android or iOS from the Google Play and App Store platforms. The web platform “B-Assist” can be found on www.b-assist.bg. It provides the same functionalities as the mobile application in order to support you when you are not able to use the app or phone to call our medical coordinators.

The unique new opportunity that will be available for customers of BULSTRAD LIFE via mobile and web platform B-Assist is online claim handling process. That will give an opportunity for reimbursement of expenses without sending any document to Insurer on hard copy. This possibility as many others will entry into a force from the beginning of January 2019.

How did we bring the app to life?

Behind the digital and call center services of the company stands the world leader in the provision of cloud-based CRM systems Sales Force.

Market positions in Health insurance market for 2017 year (statistical data from Financial Supervision Commission)
